

ORGANISED BY THE ROTARY CLUB OF ROYSTON

At the Kite Festival Rotary President Peter Mitton passes the best vehicle in show trophy to Paul Wright with his replica Jaguar SS110

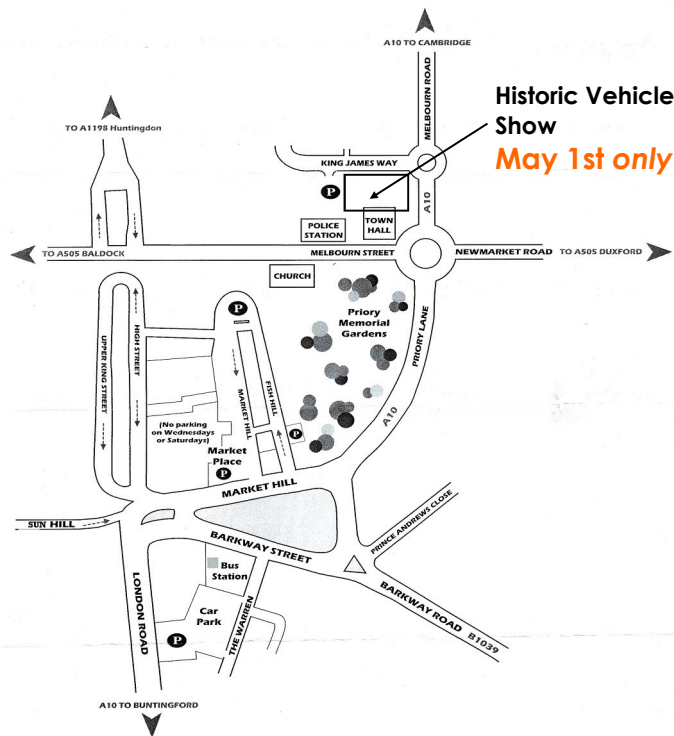

Ray Brand receives the Mayor's award for his lovingly restored MG TC as best vehicle at the May Day show.

The 2022 shows

Happily last year we were back to normal with both shows and were rewarded with very good turnouts, especially on May Day where we had a record number of vehicles. At that show Rotary President Steve Higginbotham chose Ken Stratton's gorgeous Triumph Tiger 110 as best bike in show and a beautiful two-tone (remember when two tone was quite common?) 1958 Nash Metropolitan, owned by John and Rosemary Dowling, as best vehicle in show. Deputy Mayor Marguerite Phillips awarded the Mayor's trophy for best vehicle in show to a 1947 MG TC that had been lovingly restored by Ray Brand. At the Kite Festival President Peter Mitton awarded best vehicle in show to a replica of a 1937 Jaguar SS100 owned and built from a kit by Paul Wright over a 3 year period. For those of you sharp enough to spot two different presidents giving prizes, that is because the Rotary year changes on July 1st. Note that because of past difficulties finding the winners **YOU MUST BE BY YOUR VEHICLE AT 13.15** where, if you have been chosen, there will be notification of your award on your vehicle.

August 6th show: Therfield Heath, close to the Heath Sports Club, Baldock Road, SG8 5BG (map can be found at <http://www.roystonheath.co.uk>)

To reserve your place at either show, and to assist the organisers, it would be helpful if you could respond by the 20th April 2023. Returning this form, or by Email, will be sufficient to guarantee you a place. Note, no confirmation shall be sent. Please do enter the free quiz. The person who correctly answers the most questions will win a voucher for use at B.A.S. Autosupplies (in the event of a tie it will be the first correct entry drawn). In the event of bad weather please check the Rotary web site or phone me to ensure that the event is still going ahead:

Ray's Ramblings

The May Day Fayre show is a definite but, as mentioned last year, the Kite Festival might be changing site slightly (same entrance though). Negotiations are still underway but I must produce this brochure now. It is, looking about 50:50 whether the vehicle show at the Kite Festival will go ahead and those of you on Email will be kept informed. However, I can't send out expensive paper mails so if you get the paper brochure please keep up to date by contacting me or by checking the Rotary Club of Royston website <https://roystonrotary.com/> (the same applies in the event of adverse weather conditions at either show). The new site, if it goes ahead, will have advantages such as more space so that we can in future add extra attractions. At the Kite Festival show please note that if there is any chance that your vehicle might drip oil please do put something under it.
