

Memory Café Update 9

As at 12 April 2018

Clarice led the April 2018 meeting, the theme being “Spring into Arts and Crafts”. It was a pity that the weather did not oblige as we were met by a cold easterly wind. Some of the results are displayed in the photo, “a host of golden daffodils”:

We seem to be attracting a steady band of guests and helpers as can be seen in the chart. I am hoping that as a result of the May Fayre and the Queen’s Road stand we can reach out to a wider audience.

The snow day in December did not help!

Once again, my I offer a big thank you to all our helpers; on this occasion they were, Iris Newling, Peter Homent, David and Glynis Smyth, Carol Read and Spider, Neil Heyward and Clarice Wahlich.
