

Memory Café Update 26

As at 9th September 2019

We beat the BBC Proms to the “Last Night” by 5 days, enjoying and singing well known songs such as Rule Britannia, Jerusalem, and Land of Hope and Glory. We had the usual bunting and Clarice brought in delicious fairy cakes inscribed with union flags on the icing. Wenna had been given the words to some favourite songs by her neighbour who was having a garage clear out. So, we finished with the Flanders and Swan song “The Gas Man Cometh”.

Sadly, we were a bit down on numbers with 6 guests but supported by 7 Rotarians and friends

Once again, our thanks go to the devoted band of helpers Wenna Hill, Karin Weston, Clarice Warlich, Di Charles, Ray Munden, Carol Reed & Spider.

In October and November, the Old Barn will be closed for refurbishment. We have an alternative venue in Room 11, the Town Hall for the 14th October and 11th November. It is encouraging that the Old Barn is receiving a make-over as it is such an excellent venue.
