

## Memory Café Update 27

As at 14<sup>th</sup> October 2019

We were a bit down on numbers but our four guests were right royally entertained by 7 Rotarian helpers and friends and the 7 Scrambell Ringers who gave us a wonderful music and singing.

This month we were in Room 11 of the Royston Town Hall due to the refurbishment of the Old Barn, which may be a reason for the low numbers. We have also lost a few folks whose condition is such that they have had to go into care homes. The important point is that by providing the Memory Café we are providing some relief and enabling folks to stay in their own homes for as long as is possible.

The Scrambells told us about their story and the practicalities of handbell ringing before giving us an excellent demonstration of their skills.

We were joined by Spider as usual. The picture shows how much our efforts are appreciated.

Once again, our thanks go to a devoted band of helpers Wenna Hill, Karin Weston, Clarice Warlich, Di Charles, Julia Bell, Peter Homent, Carol Reed & Spider.
