

Memory Café Update 28

As at 12th November 2019

Once again we were in the Royston Town Hall where we observed the two minutes silence on Remembrance Day. The image shows the original British Legion Poppy.

Because we have reached our second year of operation, Clarice laid on some birthday party games. When it came to pass the parcel, she cunningly made sure that the guests won the prize inside and not the Rotarians and helpers! What a swizzle.

It was great to welcome back Gwen Worrell who lost her husband Fred to Alzheimer's disease some months ago. Gwen has a really interest life story starting in British Guiana, brought up in Barbados and coming to England to pass her exams in mid-wivery. We were also pleased to have friends from Margaret House join us; Rene and Ann accompanied by Lee-Ann their carer. Of course, we had our two stalwarts Wilfred and Thelma Grove who arrived having struggled with the new bus time-table! It really is very humbling to know that our guests have so many life experiences well worth getting to know about. Dementia is so cruel, but it is a privilege to be able to do even a little bit to help folks.

On the help front, our thanks go to this months devoted band of Wenna Hill, Karin Weston, Clarice Warlich, Peter and Barbara Mitten, Julia Bell, Peter Homent, Carol Reed & Spider. We are also pleased to have a friend of Iris Newling, Tina Sykes, who has joined the ranks
